

## BEST PRACTICE AND LESSON PLAN IDEAS

Category: Cooperative Activity/Golf Motor Skills

Suggested Grade: K-5<sup>th</sup>

Title: Let's Go Golfing!

Submitted by: Samuel Ellis, K. D. Markley Elementary, Pennsylvania

Equipment/Materials:

- The First Tee National School Program Equipment Set: Putters, Targets, Balls
- A variety of equipment from the supply closet  
Hula-hoops, stuff animals, poly-spots, mats, cones, rope, etc.

Description:

- Students actively engaged in practicing their putting skills through the design of a miniature golf course within class. Students were given different items from the closet. Students took those items and then used their creative side to design a course. Students were then able to travel around the gym and use their putting skills to play a 9-hole course in which the class designed.
