

BEST PRACTICE AND LESSON PLAN IDEAS

Category: Core Values and Safety

Suggested Grade: 3rd – 5th

Title: Reward Contests

Submitted by: Katie Tirrell, St. Joseph School, Montana

Equipment/Materials:

- The First Tee National School Program golf equipment: targets, wedge, putter, balls

Description:

- The very last day I hold a chipping and putting contest as a reward for all classes who used good sportsmanship (core values), safety, and worked hard at practicing all skills throughout our golf unit.

The kids line up and whoever putts closest to the target and chips closest to another target wins a prize. They all love this last day reward! It's fun.
