

OVERVIEW of ELEARNING TRAINING PROGRAM

COURSE TIME: 2 1/2 HOURS

The First Tee National School Program 2.0 eLearning course is designed to equip elementary physical educators with the knowledge and skills necessary for effective implementation of the program into their physical education classes – K- 5th grades. The online course includes several video examples of physical educators working with students and implementing skills and concepts within their classes. Checkpoint questions on essential program information are presented at the end of each module and appear in a comprehensive assessment at the end of the course.

Modules	Description
