

Chapter Overview

The First Tee of Raritan Valley (TFTRV) is one Chapter of an international non-profit youth development program called The First Tee. The First Tee was created in 1997 by the World Golf Foundation to provide young people of all ethnic and economic backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, integrity and sportsmanship. By engaging young people in a combination of life skills, leadership and golf activities, they also are exposed to positive traits that will help them achieve success in life. In the process, participants become valuable assets to their community. The First Tee Life Skills Experience is the unique component that sets The First Tee apart from many other successful junior golf programs and youth development programs through sport.

The First Tee of Middlesex and Somerset Counties was created in 2004 and in 2011 grew to become The First Tee of Raritan Valley which now covers an additional four counties to include Hunterdon, Morris, Union, and Warren. TFTRV served over 700 students in TFT Life Skills Experience in 2017 and over 60,000 students in The First Tee National School Program.
